

My Dog Matters

The Lap Dog Lodge is a small facility for lap dogs weighing up to about 18 lbs.

All our guests must be up to date with their vaccinations against distemper, parvo and bordetella. Each suite will house up to 2 dogs from the same family and has its own outside run.

The Lap Dog Lodge is heated in the winter and has air conditioning for the summer.

For hours of operation, to make an appointment to view or any inquiries - please contact us by phone or email.
